Newsletter Reflection: God is not revealed to "be" love in any other religion in the world other than Christianity because in order for there to be love, there must be a beloved. From all eternity, the Father, Son, and Holy Spirit have poured themselves out into each other in an infinite act of love, which we, as Christians, are called to experience through faith and the sacraments by which we are lifted up into that very love of God itself (Romans 5:1-5). It is the love of God that binds us, heals us, and makes us children of God (I John 4:7; Matt. 5:44-45). Thus, how fitting it is that the Holy Spirit is depicted in Revelation 22:1-2, as a river of life flowing out from the Father and the Son and bringing life to all by way of bringing life to the very "tree of life" that is the source of eternal life in the Book of Revelation (Rev. 22:19).

Today as we meditate on this great Mystery of the Blessed Trinity let us examine our own experiences with the Divine Godhead. Over the years the saints desired this love, today let's take some time and invite the blessed Trinity to renew our faith and may we never forget our true identity as Children of God.

Mr. Nohil Bravo D'Souza
 Seminararian for the Diocese of Clifton
